Open to new employment opportunities

Full-time student
'Front-End Developer'
at Multimedi **2019**

I have made a career switch and have followed a 7-month intensive Web Development training with a perfect blend of theoretical and practical knowledge. More info at www.webcreators.academy

certified translator
freelance **2007-19**

I cross the boundaries of culture and language translating and transcreating texts in a wide range of areas: legal translation, commerce, business (contracts, procedures, regulations, correspondence, etc.), marketing, tourism, literary projects, subtitling. I strive for clear, concise and persuasive communication.

2006-18
administrative assistant
office manager

Ad Arte **14-18**
Vossen&Co **2018**
Antwerpriza **11-14**
LUKOIL **06-09**
I have performed multiple functions with administrative and organisational profile for profit and non-profit companies. I gained a first-hand experience with managing projects and working in multicultural teams. I have finessed the ability to prioritize, to multi-task, to work under pressure and to meet deadlines.
